

TOP-UP & WARM-UP PROGRAMME

YEAR 11 EXAMS 2018

THE HAMBLE SCHOOL
ACHIEVING EXCELLENCE TOGETHER

WHAT ARE TOP-UPS?

Top-ups are revision sessions, usually 1 hour, where you can have support from your teacher to cover topic areas that you feel need strengthening before your final examination.

WHAT ARE WARM-UPS?

Warm ups are last minute revision booster sessions, usually 30 minutes, which take place just before each final examination.

Are they useful?

“Yes they are!” (Year 11 student)

Previous Year 11 students have found them to be extremely helpful. They said:

“Warm ups were really good.”

“All the main topic areas came up on the paper.”

“I remembered the information covered in warm ups and used them in the exam.”

Remember you must attend the Top ups and Warm ups sessions and keep to your personalised programme during the school day.

Your teachers will help you to prepare for the final examinations – make the most of the help on offer to you.

GOOD LUCK!
