

Dear Parents

Cyber Café: e-Safety Support Workshop

We would like to invite you to join us at our Cyber Café Evening for parents/carers on Thursday 11th January 18:00-19:30 in the Progress Zone.

This event was requested at the last e-Safety Awareness Evening and is intended to give hands-on support to help parents/carers keep children safe online and when using new technologies. We will share an understanding of how children use the internet and what the key areas of e-safety are. We will be discussing strategies that can be used at home to help protect your child as well as hints and tips you can pass on to your child to help maintain their safety. There will also be an opportunity to bring devices and we will try to support you with your individual need where possible.

Within the workshop you will have opportunity to visit sessions on:

- Social networking
- Controlling home access to the internet
- Online gaming
- Hampshire Constabulary cyber advice
- Device support

You can log on and book seats from the 22nd December using the Parental Event Booking System by clicking [here](#) or alternatively via the link on the school website. You will need to log in using your information and email address and go into the event entitled "Cyber Café: e-Safety Support Workshop". If you require assistance or do not have access to the internet, please contact the School Reception team on 02380 452105 who will be happy to help you book your place at this event.

Yours sincerely,

Chris Pranker
Deputy Headteacher

If, at any time, you should require special arrangements to be made when visiting the school and/or in order to participate fully in supporting your child at school (e.g. an accessible venue for meetings, if you are a wheelchair user, assistance with translation of documents or enlarged copies of communications etc.), please do not hesitate to let us know.
