ACHIEVING EXCELLENCE TOGETHER

Dear Parents/Carers

Following the release of the Annual Ofsted report today, the school was contacted by both Meridian ITV and BBC Radio Solent to do a feature about the school. This is in recognition of the high quality education that Hamble offers and the excellent examination outcomes of our students. There will therefore be a television report on ITV Meridian news at 6pm tonight. In addition to this the radio broadcast can be found via this link:

For context the interview starts talking about schools at: **1:09:15**

The Hamble School/ Ms Croke talk starts at: **1:35:05**

We wanted to draw your attention to these items as we are all very proud to have been recognised in this way. The students and staff who took part did exceptionally well and their pride in the school shone through. I hope you will enjoy watching these really positive pieces about the school.

Thank you once again for all your support in helping us 'Achieve Excellence Together'.

With my best wishes,

Lisa Croke

Headteacher

If, at any time, you should require special arrangements to be made when visiting the school and/or in order to participate fully in supporting your child at school (e.g. an accessible venue for meetings, if you are a wheelchair user, assistance with translation of documents or enlarged copies of communications etc.), please do not hesitate to let us know.
