Dear Parents/Carers

In order to ensure adequate spaces are available on the Xelabus route to school, I am writing to enquire about your child's intended mode of transport to and from school. Please see below the link to Xelabus timetable.

<http://www.thehambleschool.co.uk/transport/>

We are particularly interested in those students who intend travelling via the bus service. If your child is planning on using the bus service can you please indicate this on the bottom of this letter, before students return to school?

Please click on the survey monkey link below to register your response. Alternatively your response can be posted, marking the envelope with Xelabus response, or drop into school reception where there will be a box for your response.
