

November 2017

Dear Parent / Carer

UPDATE: Core Masterclass – Year 10

We are pleased to communicate to you that the uptake of our Core Masterclass programme for Year 10 this year has been very strong with 94% of the students invited attending sessions this term. We are constantly reviewing the impact of the programme for each of English, Maths and Science and have sought feedback from students, staff and parents. This feedback has been used to inform the next steps in our Masterclass provision for Year 10.

The overwhelming uptake in the Masterclass programme by students in Year 10 has confirmed that offering your child the opportunity to explore their learning in a Masterclass format is integral to their success both this year and in Year 11. To better capitalise on the time your child commits to the Masterclass programme we are streamlining the programme.

The current Core Masterclass programme concluded earlier than initially planned, with the final sessions for Year 10 taking place on Monday 20 November 2017. Moving forwards, these sessions will be collapsed into a series of High Flyer Enrichment Days throughout the academic year. This will start from January 2018 and further information will follow in December to better prepare you and your child for what to expect in this revised programme.

We are thrilled that students have taken advantage of this learning opportunity and want to reassure you that the planned enrichment provision in place will continue to challenge your child and drive their aspirations for grades 9-7.

We want to thank your child for their engagement to this point and look forward to sharing information on the High Flyer Enrichment Days with you and your child in the coming weeks. Should you wish to discuss this opportunity further, please contact Mr S Knight at school between 8am-4pm Monday to Friday. Alternatively, you can email Mr Knight on sknight@thehambleschool.co.uk.

Yours sincerely

Mr S Knight
Director of Progress and Attainment

If, at any time, you should require special arrangements to be made when visiting the school and/or in order to participate fully in supporting your child at school (e.g. an accessible venue for meetings, if you are a wheelchair user, assistance with translation of documents or enlarged copies of communications etc.), please do not hesitate to let us know.
