

November 2017

Dear Parent / Carer,

Raising Achievement Evening

We are sure you will agree that each year of education for your child is crucial in supporting them in both realising and achieving their potential. We want to help both parents / carers and our students to recognise how challenging the year ahead will be. More importantly, we want to empower you with the knowledge of what to expect this year with the intention of raising your child's achievement and how to prepare for revision and maximise learning opportunities.

With this in mind, following on from our successful Raising Achievement Evenings, we feel it is important to make available to you the resources provided to all parents / carers who attended the Raising Achievement Evenings this term. The resources can be found on the school website at <http://www.thehambleschool.co.uk/progress-and-attainment/>. To access the resources relevant to your child's year group, navigate to the 'Featured Content' bar down the right side of the page and select the required Raising Achievement Evening (September or November).

Thank you for the feedback you have provided on each of the evenings that you have attended this term. Receiving feedback is helpful for us since it is used to inform future events at The Hamble School.

The next Raising Achievement Evening will take place for parents / carers of students in Years 10 and 11 on **Thursday 01 February 2018**. Further information will follow on your child's return to school in January to enable you to plan your attendance.

We hope that you agree that this is an exciting opportunity for both you and your child to best prepare for the year ahead. Should you wish to discuss this further, please contact Mr S Knight at the school between the hours of 8am-4pm Monday to Friday. Alternatively, you can email Mr S Knight on sknight@thehambleschool.co.uk.

Yours sincerely

S. Knight
Director of Progress and Attainment

If, at any time, you should require special arrangements to be made when visiting the school and/or in order to participate fully in supporting your child at school (e.g. an accessible venue for meetings, if you are a wheelchair user, assistance with translation of documents or enlarged copies of communications etc.), please do not hesitate to let us know.
