

June 2017

Dear Parents/Carers,

I am writing to inform you about the Revision Guides that are now available to support your child with the new 9-1 Graded GCSE Geography course.

Where the demands of the GCSE have changed, students are being assessed with exam style questions throughout the course in preparation for the final exams at the end of Year 11. This year we are providing revision material at an earlier date; at the end of Year 9. This will ensure that students have all the revision materials they need for the Year 9 exams and start Year 10 fully prepared, for mock exams and other forms of assessment in the Autumn term.

The revision guides we have chosen are specific to the exam course we are doing and we would strongly encourage you to purchase them. We are able to supply them for a reduced cost compared to online price. The cost of the revision guide is £3.25 and the workbook is £2.75.

If you would like to purchase the revision guides please indicate on the slip below and return the slip with the correct money to the Finance Office. Payment can also be made using our online system. Thank you for your continued support.

Yours sincerely,

G Whitworth (Mr)

Subject Leader for Geography
