

SETTING UP PARENTAL CONTROL OF HOME WIRELESS ROUTERS

Parental controls can be used to block upsetting or harmful content, control in-app purchases or manage how long your child spends online. And the good news is parental controls are really easy to set up.

Innocent searches sometimes reveal not so innocent results. So if you're worried about what your child is searching for online, who they're talking to or what they're seeing, we can help.

It's simple to get started. And, along with talking to your child regularly, using parental controls is one of the best ways to help keep children safe online.
