

## **The Hamble School**

### **Curriculum statement of Intent**

The mission of The Hamble School is 'Achieving Excellence Together'. We encourage each and every child to reach the highest levels of achievement and personal development. To achieve this, students follow a broad and balanced curriculum throughout their five years at the school, preparing themselves for the next phase of their lives and beyond.

At The Hamble School, we believe the Curriculum should have:

- Depth and breadth
- A clear sense of what we want students to know
- Progression and sequence
- Ambition and challenge, with support so that all students can access it.
- Clear purpose of assessment
- Character development embedded throughout, building confidence, resilience and ambition
- A simple framework understood by all stakeholders – teachers, students and parents
- Regular review and evaluation
- Opportunities outside of the classroom that enhance and develop students' learning and understanding
- Opportunities planned in for students to work both collaboratively and independently
- Opportunities carefully planned in to prepare students for life in modern Britain, promoting fundamental British values of democracy, the rule of law, individual liberty, and respect for those with different faiths and beliefs
- Clear Leadership
