Dear Parents/Carers

Years 7-10 Careers Fair – Tuesday 22 May 2018

As part of the Schools, Careers, Education, Information, Advice and Guidance (CEIAG) given at The Hamble School, we are delighted to inform you that there will be a Careers Fair on Tuesday 22 May 2018. This event will take place in the drama studio between 09:00 and 13:00, with students accessing the careers fair at set times throughout the day.

The Careers Fair will have representatives from local colleges, apprenticeship providers and there will also be providers from local industry. The colleges and training providers will provide prospectuses and information that students can take away with them.

This is a fantastic opportunity for students; it will increase their awareness of career opportunities and they will be able to discuss options with colleges and training providers to support them in making their applications in Year 11. For students in the lower year groups it is an excellent chance to gain direct access to a range of post-16 providers which will help them make informed choices about their future learning and career pathways.

Please can I remind you that we do have an independent careers adviser at The Hamble School to support our students and there will be careers advisers available throughout this event.

Yours sincerely,

L. Cambridge
