Dear Parent / Carer

Progress Check Week

I do hope you and your family are all keeping well and managing to get back into a routine this week. I am writing to you regarding the new **Progress Check Week** which is the week beginning **Monday 04 May for Year 8**

The aim of the Progress Check Week is to ensure students receive feedback on aspects of Home Learning and assess student strengths/weaknesses for accurate future planning. Each year group will have one Progress Check Week per half term until we return to normal schooling. It must be stressed that these are not assessment weeks and the assignments published should not be completed as examinations. I have outlined the expectations below:

- During the week beginning Monday 04 May students will be set one assignment per subject studied on Show My Homework. They will not be set any other work for that subject during the week.
- Each assignment should take 45 minutes and will usually consist of multiple-choice questions and longer responses.
- All instructions will be put on Show My Homework, along with support materials and links to any other relevant information.
- Students are able to ask staff questions via the comment box on Show My Homework.
- Work should be submitted on one of the following platforms: Show My Homework, Office Forms, Google Forms or Edmodo. Full instructions on submission for each subject will be included in the information on Show My Homework.

If you have any further queries regarding the Progress Check Week, please do email homelearning@thehambleschool.co.uk

I also wanted to take this opportunity to thank you for all the support that you have been giving your children during their Home Learning.

Stay safe and keep in touch, I am always here for you should you need support – sbone@thehambleschool.co.uk

Yours faithfully

Mrs S Bone

Head of Year 8

If, at any time, you should require special arrangements to be made when visiting the school and/or in order to participate fully in supporting your child at school (e.g. an accessible venue for meetings, if you are a wheelchair user, assistance with translation of documents or enlarged copies of communications etc.), please do not hesitate to let us know.
