

February 21

Dear Parent/Carer

Safeguarding Update 01 February 2021

I refer to my letters to you dated 17 and 19 November 2020 concerning reports of a man approaching both our students and those at local schools.

We have today been advised that an older man was seen sitting in a car by the Hamble School this morning and the description matches that of the man involved in the incidents in November. I can confirm that the Police have been informed.

Please speak to your children once again about the importance of not talking to strangers or approaching vehicles they are not familiar with and remind them how to seek help if required. If anything happens at any point they should inform staff at the school. If they are out of school, they can also dial 101. If they feel they are in immediate danger they should always phone 999.

Yours faithfully

Mr A Govan
Headteacher

If, at any time, you should require special arrangements to be made when visiting the school and/or in order to participate fully in supporting your child at school (e.g. an accessible venue for meetings, if you are a wheelchair user, assistance with translation of documents or enlarged copies of communications etc.), please do not hesitate to let us know.
