OUTSTANDING

At Fareham College our students get involved of lots of fun things, as well as studying. Below are some of the exciting things that have been happening at Fareham College!

We have invested in simulators at our CETC campus! The machines have VR headsets for students to develop and improve their skills in handling large machinery found onsite.

Our Level 3 Sport students have been on a very exciting trip to Bournemouth and took part in crazy golf and laser quest!

Our T Level Health Science students welcomed Dr Alex Corcoran to the recently developed Health and Fitness Suite to deliver an interactive talk about careers in the NHS.

Our Level 2 and Level 3 Business students organised an Easter event to raise money for the RSPCA Solent Brand and Stubbington Ark. The event featured home baked goods, a raffle, fitness challenges, and we also had attendance from the Body Shop!

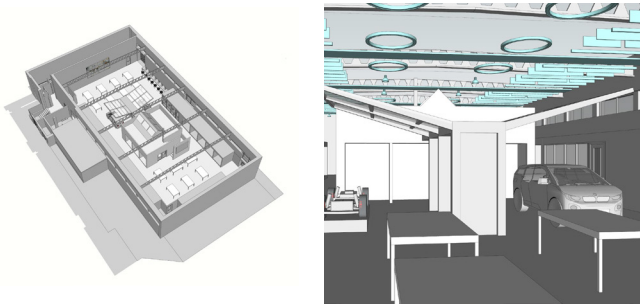

Our students have been filming 'what's in the box' episodes, click on the image below to watch our latest video!

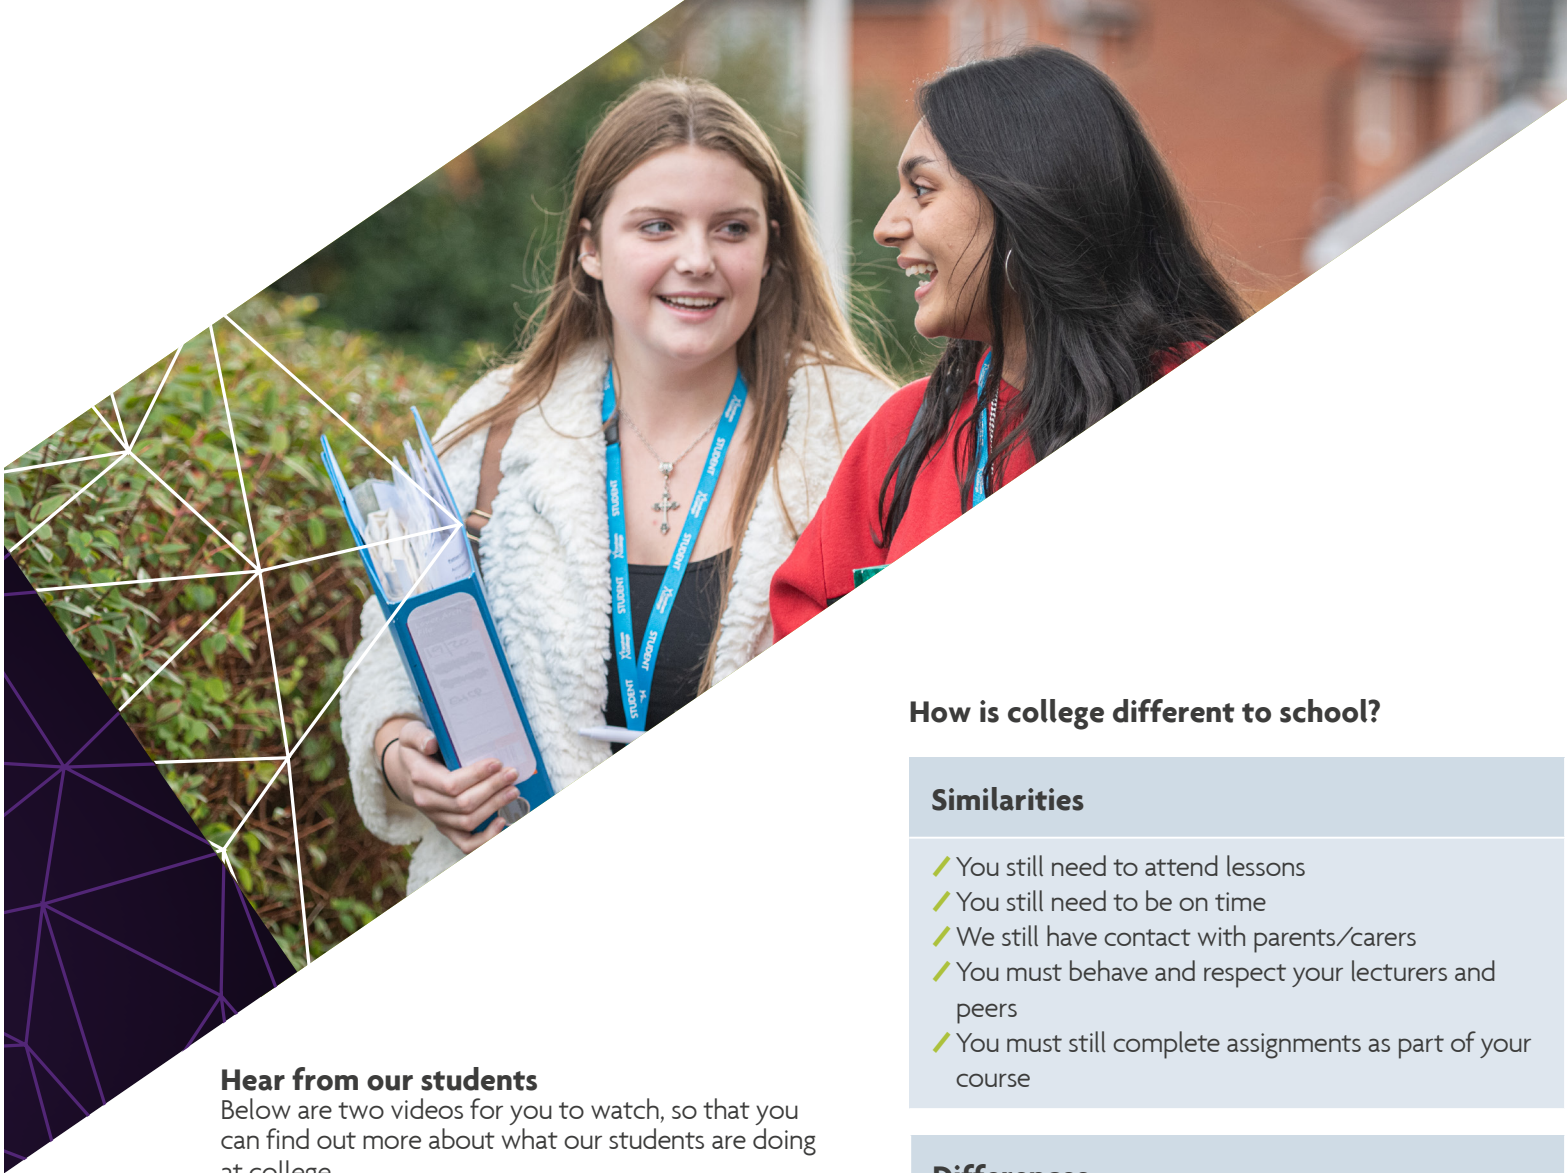

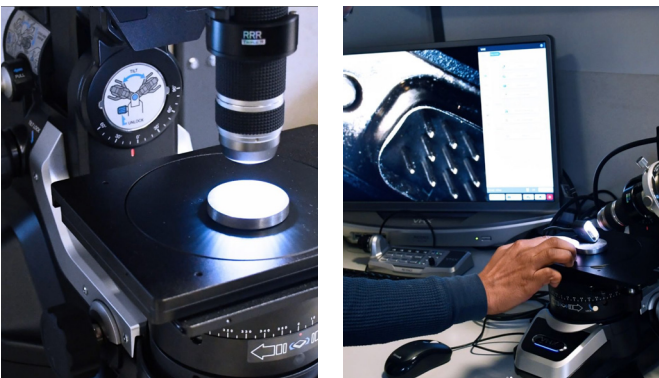

Our Business students have put together a Q+A on what it is like to be a student at Fareham College. Find out what they have to say!

The new 'Energy Hub' will be open for students joining us in September 2022. Keep your eyes peeled for more developments on this.

Our CEMAST campus has invested in a new Keyence Microscope, enabling our students across our engineering courses the ability to view items up to 200x magnification.

How is college different to school?

Similarities

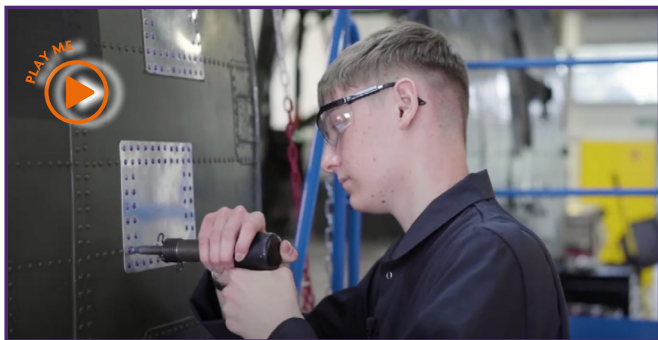

- ✓ You still need to attend lessons
- ✓ You still need to be on time
- ✓ We still have contact with parents/carers
- ✓ You must behave and respect your lecturers and peers
- ✓ You must still complete assignments as part of your course

Differences

- ✓ You choose your course
- ✓ You call teachers by their first name, not 'sir' or 'miss'
- ✓ You have the opportunity to take part in enrichment. This is a fun activity of your choice once a week
- ✓ More freedom with projects for your course
- ✓ No uniform, unless required for your course e.g Hair, Beauty, Early Years, Health Care
