CEMAST CETC BUSINESS PLUS

OUTSTANDING

If you are in Year 9 or 10 you may have already started thinking about what you want to study at college. If not, we are here to support you in finding a course which will lead you to your dream job. Open evenings are a great opportunity to come in and see our facilities at Fareham College, we also attend assemblies and school career events.

At Fareham College, we don't just offer you courses which lead to university, apprenticeships and employment, we also give you work experience and give you the opportunity to take part in enrichment.

Below are some fun things that we have been getting up to at Fareham College!

We have invested in simulators at our CETC campus! The machines have VR headsets for students to develop and improve their skills in handling large machinery found onsite.

Our Level 3 Sport students have been on a very exciting trip to Bournemouth and took part in crazy golf and laser quest!

Our T Level Health Science students welcomed Dr Alex Corcoran to the recently developed Health and Fitness Suite to deliver an interactive talk about careers in the NHS.

Our Level 2 and Level 3 Business students organised an Easter event to raise money for the RSPCA Solent Brand and Stubbington Ark. The event featured home baked goods, a raffle, fitness challenges, and we also had attendance from the Body Shop!

Help and support at Fareham College

Not only will you have support from a Success Coach at Fareham College who will regularly catch up with you about how you are getting on at college, you will also have support from your lecturers and our SUN progression mentor.

The SUN progression mentor is here to guide you on university options, including Higher Degree apprenticeships!

You can find out more about SUN by clicking the logo below:

What is SUN?

SUN is a group of local universities, colleges and schools across Hampshire and the Isle of Wight who offer support and activities to help young people decide on the best path for them. You may already know SUN from school events, however if you don't, at Fareham College we have Sophie who will be here to support you.

Useful links and resources

At Fareham College, not only do we offer exciting qualifications for you to study, our purpose is to also ensure that you are given CV and interview support. [Click here](#) to take you to our website where you will find lots of useful resources!

We hope you found this guide useful and want to remind you that we are here to support you. Our Careers Centre Advisors are here over the summer break should you have any questions about applications or enrolment. They can be contacted at info@fareham.ac.uk or you can call 01329 815 229.

We hope that you enjoy the last few months at school before the summer break and hope to see you at Fareham College in the near future.
