

TOP-UP & WARM-UP PROGRAMME

YEAR 11 EXAMS 2019

THE HAMBLE SCHOOL
ACHIEVING EXCELLENCE TOGETHER

WHAT ARE TOP-UPS?

Top-ups are revision sessions, usually 1 hour, where you can have support from your teacher to cover topic areas that you feel need strengthening before your final examination.

WHAT ARE WARM-UPS?

WARM-UPS are last minute revision booster sessions, usually 30-minutes, which take place just before each final examination.

ARE THEY USEFUL?

“Yes they are!” (Year 11 Student)

Previous Year 11 students have found them to be extremely helpful. They said:

“WARM-UPS were really good.”

“All the main topic areas came up on the paper.”

“I remembered the information covered in WARM-UPS and used them in the exam.”

Remember you must attend the Top-up and WARM-UP sessions and keep to your personalised programme during the school day.

Your teachers will help you to prepare for the final examinations – make the most of the help on offer to you.

GOOD LUCK!
