NEWSLETTER – ISSUE 21: 2<sup>ND</sup> FEBRUARY 2021

We hope you are all continuing to stay safe and well. Last week the Prime Minister announced that he hoped it would be safe to commence the reopening of schools from Monday 8 March. We were all disappointed that this will not be happening sooner, but of course it is essential that students only return in large numbers when the conditions are right.

In the mean time we will continue to provide quality remote learning and once again it has been great to see full attendance in many live lessons this week. A reminder that all our staff are available during this lockdown – students and parents/carers can contact teachers on Class Charts or can be emailed directly. A few key email addresses are listed below:

- Safeguarding Concerns – [staysafe@thehambleschool.co.uk](mailto:staysafe@thehambleschool.co.uk)

- Home learning (including technical assistance) – [homelearning@thehambleschool.co.uk](mailto:homelearning@thehambleschool.co.uk)

# WHAT'S HAPPENING IN YEAR 9 ART

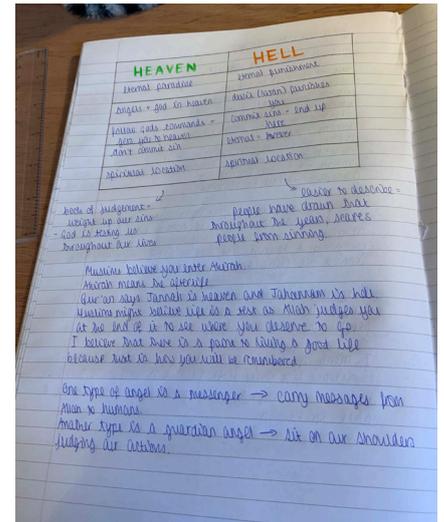

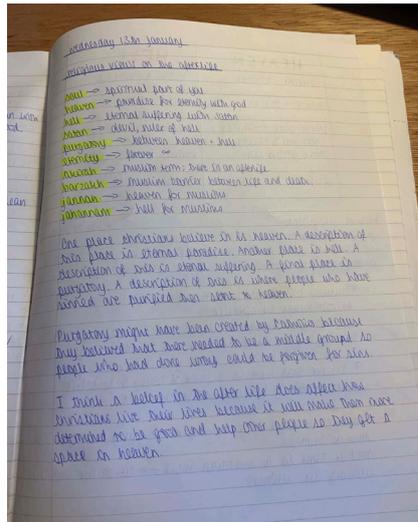

Year 9 have been doing a series of workshops that focus on a sense of place and belonging – this is so important to all of us at the moment. Over the last two weeks the students have looked at how artists use maps within their work and have studied the works of different artists. They have also used their own area as inspiration. Here are some of the inspirational pieces which have been submitted:

# WHAT'S HAPPENING IN RELIGIOUS EDUCATION

In RE we have started some new topics this term – 'Animal Rights' in Year 8, 'Human Rights and Social Justice' in Year 9 and 'An introduction to Muslim Beliefs' in Year 10. Mr Spencer has been really impressed with the quality of the work submitted on Class Charts.

We also want to say a massive 'well done' to the Year 11 RE Classes who are regularly turning up to lessons on Zoom, constantly getting involved and asking great questions on Class Charts.

*'It has been a privilege to teach you guys during these difficult times and your inquisitive minds help to keep mine sharp!' – Mr Spencer, Head of Religious Education*

## MEDIA STUDIES

Media students have been working really hard with online learning.

Year 11 students have been doing their GCSE coursework piece where they are creating and designing a new fashion magazine for teenagers. They've had some fantastic ideas so far in their initial research stage.

The Year 9s and 10s have been working on their practical media skills using an online image editing website called Pixlr. They have been making a guide for future media students on how to use the software. We have loved seeing their creations on our Edmodo class pages.

**Well done all and keep up the good work.**
