# THE HAMBLE SCHOOL

NEWSLETTER - ISSUE 2: 23RD SEPTEMBER 2021

We are so pleased with how students have settled back into lessons over the last few weeks – they are really focussed on their learning and earning lots of reward points. The Year 7s had a brilliant Transition Day and are now getting used to the school routines. We look forward to seeing parents/ carers at the Year 7 'Meet the Tutor' evening at the beginning of October.

We really do believe that a positive home-school relationship is important and truly believe that working together with parents/ carers will help your child achieve their potential. We encourage you to contact teachers via Class Charts or email a list of the key contacts is available on our website:

www.thehambleschool.co.uk/contact-us

Our newsletter always provides parents/ carers with reminders and tells you a little bit about what is happening around the school. If you have any successes outside of school your child would be happy to share, please do email communication@ thehambleschool.co.uk

### **OFFICE 365** & ONENOTE

Students have access to office applications and class OneNotes from home using Office 365. To access this students need to go to:

#### www.office.com

They then need to login using their school email address, this is made up of their school login username and the email extension @thehambleschool.co.uk.

So, for example a student called Joe Bloggs would have the login name: BloggsJ21@

thehambleschool.co.uk

(please note: the 21 is the year of entry for the

student).

They then need to type in their password which is identical to the password that they login to the school system with.

EMPOWERED LGBTQ YOUNG PEOPLE

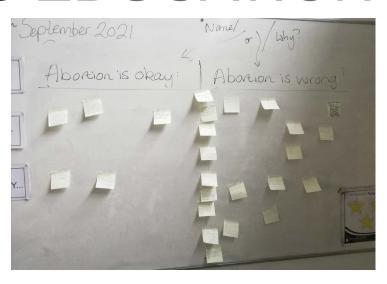

The LGBTQ+ community took park it an online survey last term to share their experiences as a school and we have won £100 as a result!

We will be mentioned in the Just Like Us newsletter that goes out to all schools and colleges in England.

You can also visit their website: www.justlikeus.org

## **RELIGIOUS EDUCATION**

The RE department has welcomed back all students this year with open arms. We are incredibly proud of our results in 2021 and are looking forward to the year ahead. A massive WOW! to the number of students who have decided to take the course in Year 9. These students have started their studies looking at the theme of 'Religion and Life', focusing on their first topic around Abortion. Have a look at the image to see how varied all of our views were in lesson – this led to an amazing class debate!

Year 7 will be starting this year looking at Christianity and learning basic information to help them in future years. Year 8 are looking at the theme of 'Authority' and why we listen to people in power. Year 10 have returned to study 'Relationships and families' as part of their GCSEs and Year 11s have begun revising the Christianity unit that they studied during home learning in Year 10.

## YEAR 7: FIRST DAY AT SCHOOL

Our Year 7s had a brilliant first day. They met their tutor group and tutor, toured the school and played some settling in games. Look how smart they look too.

## SUMMER SCHOOL 2021

In summer school this year we had lots of fun learning sign language, tye-dying, making spaghetti towers and making paper aeroplanes. These were judged on flying ability, acrobatics, aesthetics and innovation.

### Take a look at some of these activities in our photos...
