

24 March 2023

Dear parent/ carer

Numeracy Intervention

At The Hamble School we aim to give students as much extra support as possible to enable children to reach their full potential and grow in independence. We have identified your son/ daughter for support in the area of numeracy. This is due to their current numeracy age being below their chronological age.

Your son/ daughter will complete intervention led by a member of the Learning Support team who will be using various techniques with an aim to improve their numeracy skills. The intervention has been developed to be fun whilst also developing numeracy confidence.

This intervention will occur every Wednesday morning during tutor time in The Harbour for six weeks. Progress will be monitored and evaluated at the end of the programme.

Yours faithfully

Mrs E Andrews

Associate Assistant Headteacher & manager of The Harbour

If, at any time, you should require special arrangements to be made when visiting the school and/or in order to participate fully in supporting your child at school (e.g. an accessible venue for meetings, if you are a wheelchair user, assistance with translation of documents or enlarged copies of communications etc.), please do not hesitate to let us know.
