

~ YEAR 10 ~

RAISING ACHIEVEMENT EVENING

THE HAMBLE SCHOOL
ACHIEVING EXCELLENCE TOGETHER

Ofsted
Good
Provider

WELCOME to The Hamble School's virtual Raising Achievement Evening for 2021-2022. We are sure you will agree that Year 10 is a crucially important year for your child. With this in mind, we want to empower you with the knowledge of what to expect this year, with the intention of raising your child's attainment at the end of Year 10.

Within this booklet you will find a detailed overview for each subject. In particular you will see the topics studied at each stage throughout the year, support available to your child and guidance towards resources for how you can support your child with their learning. This is provided to enable you to have learning conversations with your child.

Should you have further questions, or require further detail on each course, please contact your child's tutor or class teacher in the first instance. Alternatively, contact the Head of Department for the subject who can re-direct your queries on to the relevant teacher. Please visit the following website for our Staff Contact Directory, or to submit a query using Class Charts: <http://www.thehambleschool.co.uk/contact-us/>

ENGLISH LANGUAGE & LITERATURE

2021-2022

COURSE OVERVIEW

Exam Board	AQA
Specification	English Language (8700) & English Literature (8702)
Exam (%)	100

TOPICS TO BE COMPLETED

	Term 1	Term 2
Autumn	Theme- The Power of Nature An Inspector Calls Power and Conflict Poetry	Theme- The Power of Nature Romeo and Juliet A Christmas Carol
Spring	Theme- Conflict in Society Power and Conflict Poetry Romeo and Juliet/A Christmas Carol	Theme-Education A Christmas Carol An Inspector Calls Unseen Poetry
Summer	Theme- Minorities An Inspector Calls Power and Conflict Poetry A Christmas Carol Unseen Poetry	English Language Revision <i>End of Year Exams- English Language-Paper 1 and Paper 2</i>

SUPPORT AVAILABLE

Websites	www.gcsepod.com / BBC Bitesize / YouTube
-----------------	---

HOW PARENTS CAN SUPPORT

Homework	Monitoring the completion of weekly homework tasks.
Reading	Provision of reading materials- newspaper articles, magazine articles- discussions around reading material.
Revision Guide	CGP GCSE English Language and Literature Complete Revision & Practice
Exam Practice	CGP Revision Guides (above) for examples of answers. Timed exam questions at home.
Resources	Revision Guides will contain practice questions. YouTube Literature set texts and examples of how to answer Language questions.

MATHEMATICS

2021-2022

COURSE OVERVIEW

Exam Board	Edexcel
Specification	1MA1 (9-1)
Exam (%)	100

TOPICS TO BE COMPLETED

	Higher	Foundation
Autumn	Algebra and fractions recap Linear graphs and coordinate geometry Quadratic, cubic and other graphs Perimeter, area and 3D forms	Algebra recap Fractions recap Averages 2D shapes 3D forms
Spring	Transformations, constructions, loci and bearings Solving quadratic and simultaneous equations; inequalities Probability; multiplicative reasoning	Straight line graphs Transformations Ratio Proportion
Summer	Similarity and congruence Advanced trigonometry Collecting data; cumulative frequency, box plots and histograms Quadratics	Pythagoras and trigonometry Probability Multiplicative reasoning Plans, elevations, constructions, bearings, loci

A GUIDE ON HOW TO USE THE PIXL RESOURCES - SCIENCE

We are a member of the PiXL group of schools. This enables us to make exclusive use of PiXL resources. A series of resources have been created to support students in independently learning the science content. These are exam board specific. Our exam board is AQA Trilogy Combined Science or AQA Trilogy Biology, Chemistry and Physics for Separate Sciences.

These resources are available to students via the Student drive here:

O:\Science\PixelResources or by the drop box link here:

https://www.dropbox.com/sh/n4ifnwrz92u9bef/AAD11D8Q_ClwGhz5bBchfylea?dl=0

KS4 Students

The resources listed below can be used for first learning or for revision following an assessment – where there are gaps in knowledge.

1. Get ITs - Cross Board resources to cover content in the Science GCSE at grades 1-2.

The first member of the family are the Get Its, these are key word definitions and diagrams to label. These focus on the language needed to access the future resources.

2. Know ITs - Knowledge PowerPoint and recall questions (exam board specific).

The second stage of the IT Family are the Know Its, once you have completed the relevant Get Its, you can then use the knowledge PowerPoint to either learn or fill gaps in your knowledge. Along the way there are key recall questions to answer to check your understanding. The questions in the PowerPoint are the same as on the separate documents. If you are revising the question document would be best for challenging your recall, whereas if it is the first time learning, the PowerPoint is recommended. The answers can be found in the PowerPoint and the separate documents for checking of your learning through self marking.

3. Grasp ITs - Application style questions (exam board specific).

Once you have completed the topics Know Its and have self-marked and corrected your answers, you should challenge your understanding by attempting to apply it to new situations and different context. These are challenging questions and are found on both the foundation and higher tier papers, therefore should be attempted by all students. It is recommended that the Know It PowerPoint be readily accessible during this phase to refer back to at any point. This PowerPoint will provide you with the rules and reasoning to be applied to the Grasp It questions. The Grasp Its also have answers for self-marking and feedback.

4. Think ITs - Challenge questions to support high attainers (exam board specific).

The Think Its are designed for higher tier students, although foundation tier students would also benefit from accessing these resources. These are designed to stretch students' thinking and application of knowledge therefore have no answers.

Year 11 ONLY - 2019 Summer GCSE ReTeach and Extend Resources.

These resources should be used following your completion of the GCSE exam papers used for Landmark 1 (paper 1's) and Landmark 3 (paper 2's) in year 11.

In this folder you will find a board specific summary of the key command terms (AQA). These can be read to understand fully the errors that students made in the 2019 examination series. The PowerPoint contains key mistakes and misconceptions that students made, to support you in not making the same mistakes. Examiners tend to repeat question styles or content that were poorly answered the previous year!

Using the PowerPoints that are highlighted as your learning priorities (on your Landmark Sticker), you should:

1. Read the points on the PowerPoint slide and make notes on a Thinking Map.
2. Answer the Knowledge questions within the PowerPoint.
3. Self mark and improve your answers using a green pen.

KS3 and KS4 Maths in Science Resources

Organised by maths skills, these resources have a range of individual activities designed to develop the application of math skills into a science context. These can be completed as standalone activities.

KS4 PiXL Independence

This is an online resource that provides students with a variety of activities to review content and practice application to a new context. These resources can be accessed using the following log in details:

Link: <https://students.pixl.org.uk>

PiXL School Number: 303941

Password: Indep161

Here you will find the booklets that can be viewed on any device to complete a range of activities across all three disciplines of science: biology, chemistry and physics. There is also a student led Diagnose, Therapy, Testing document which can be used to support the organisation of independent revision.

GEOGRAPHY

2021-2022

COURSE OVERVIEW

Exam Board	AQA
Specification	GCSE Geography (8035)
Exam (%)	100% (Paper 1 – 35%, Paper 2 – 35%, Paper 3 30%)

TOPICS TO BE COMPLETED

	Term 1	Term 2
Autumn	Paper 2: Urban Issues and Challenges	Paper 2: Urban Issues and Challenges
Spring	Paper 1: Natural Hazards	Paper 2: Resource Management
Summer	Paper 1: Coastal Landscapes in the UK	Paper 1: River Landscapes in the UK

SUPPORT AVAILABLE

Websites	www.gcsepod.com https://www.bbc.co.uk/bitesize/examspecs/zy3ptyc
-----------------	---

HOW PARENTS CAN SUPPORT

Homework	Students will be completing glossary tasks, to support their subject specific vocabulary development for each topic. This will be interleaved with retrieval quizzes linked to the current and previous topics, which will be set on Microsoft forms.
Reading	We encourage students to keep up to date with Geography in the News so they can add geographical examples to their exam answers. A subscription to GCSE Geography WideWorld Magazine is recommended.
Revision Guides	CGP 9-1 AQA Geography Revision Guide ISBN 978-1782946106 CGP 9-1 AQA Geography Workbook ISBN 978-1782946113 Both available to purchase (at a cheaper price) via school, using Scopay.
Exam Practice	Students will be completing practice questions regularly in lessons, homework and in their Landmark Assessments.
Resources	Copies of these revision guides and workbooks can be purchased on Amazon if students feel they require additional notes: <ul style="list-style-type: none"> Grade 9-1 GCSE Geography AQA Revision Question Cards (CGP GCSE Geography 9-1 Revision) ISBN 978-1789082784 GCSE 9-1 Geography AQA Revision Guide ISBN 978-0198423461 GCSE 9-1 Geography AQA Exam Practice ISBN 978-0198423485 GCSE 9-1 Geography AQA Fieldwork ISBN 978-0198426622

HISTORY

2021-2022

COURSE OVERVIEW

Exam Board	Edexcel
Specification	GCSE History
Exam (%)	100 (Paper 1 – 30%, Paper 2 – 40%, Paper 3 – 30%) Please note it is expected that all 3 exam papers will be taken in summer 2023

TOPICS TO BE COMPLETED

	Term 1	Term 2
Autumn	Paper 3: Weimar and Nazi Germany, 1918–39	Paper 1: Crime and Punishment
Spring	Paper 1: Crime and Punishment	Paper 1: Pre-Mock Revision Cold War
Summer	Pre-Mock Revision Elizabeth	Mock exams & Analysis
