

Uniform Policy

The Hamble School has a strict uniform policy. As a member of The Hamble School, students should have a sense of pride in themselves and their uniform. Parental co-operation is imperative in order to achieve this. The School expects all students to wear their uniform correctly at all times, which includes the journey to and from School. Any student who is incorrectly dressed will be isolated until the matter is resolved.

During tutor time, tutors, year leaders and attached LT will check on uniform and challenge students who are incorrectly dressed.

If a student comes to school wearing any item that is not considered to be school uniform then the Year Leader will contact parents or carers and, where possible, the student will be sent home to change, or the correct uniform will be brought to school. If contact cannot be made with parents/carers then the student will be kept in isolation for the day to complete their work. Students who are not in full, correct uniform will not be allowed to attend lessons.

No jewellery is allowed except a watch and a small pair of stud earrings; one stud in one or each ear in the lobe. Medical alerts are acceptable. No piercings are permitted; a plaster over studs or other piercings and retainers are not acceptable.

They will have the item confiscated by staff; it will be returned at the end of the day on the first occasion and will be kept until the end of the half term for any repeat offences. Students will have a fresh start each term.

Should students be unable to remove piercings or retainers for any reason then this is considered to be a health and safety concern and a breach of the school rules. Parents or carers will be contacted to arrange for the student to go home until the item is removed. If the parent or carer cannot be contacted then the student will be isolated until the matter is resolved. Repeat offenders may face exclusion for not following the school's behaviour for learning policy.

Nail Varnish

Coloured nails of any kind will not be accepted. Students will be sent to the Department Office where nail varnish remover can be found, failing this, students can be sent to

Student Wellbeing & Support to remove the nail varnish immediately. Contact will be made with home. On the second occasion students will be sanctioned with a Year Leader detention. Students are not permitted to wear false nails to school. Nails should be of an appropriate length for school. If a student's nails are not considered appropriate for school parents will be contacted to arrange for the student to go home to rectify the matter. If contact cannot be made with parents the student will be kept in internal isolation.

Outside of the School Premises

The school has high expectations of behaviour both on and off-site and students are expected to uphold and maintain the principles. The school has statutory powers to regulate the behaviour of students when they are off the school premises and not supervised by school staff.

The school will apply appropriate sanctions to regulate offsite behaviour if it is felt that the school has been brought into disrepute. The Hamble School will always consider the context of its involvement and will take into account a number of factors before deciding to apply sanctions.

This applies to the following:

- situations where the student(s) in question were wearing school uniform or were otherwise readily identifiable as members of the school.
- if the behaviour in question would have repercussions for the orderly running of the school and/or might pose a threat to another student or member of staff (e.g. bullying another student or insulting a member of staff - this includes cyber bullying)
- the time of the behaviour in question i.e. on the way to or from School, outside the school gates or otherwise in proximity of the school.
- behaviour whilst the student is on work experience, taking part in a further education course as part of a College programme or participating in another event organised by the school.
