NEWSLETTER – ISSUE 11: 23<sup>RD</sup> JULY 2021

## A message from the Headteacher...

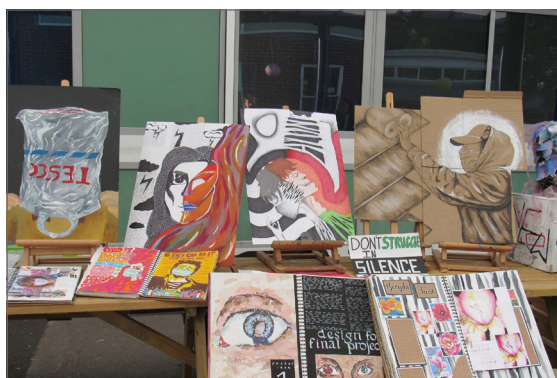

Dear parents/ carers,

It has been another challenging year in education and I know that all of us are hoping that things will look a little more normal in the next academic year. I would like to thank you for all of your kind words and support throughout the year- they have certainly helped. It's easy to focus on the pandemic and the impact it has had, but we have also enjoyed so many positives, including the fantastic Summer Arts festival last week. Hopefully, next year there will be many more events like this.

Because of the testing programme that we have to organise at the beginning of the year, there will be a staggered start in September. Please see the letters that have been sent out this week.

Finally, I hope that you are all able to have a good holiday over the next 6 weeks. I look forward to seeing your child back safe and well in September.

## SUMMER ARTS CELEBRATION 2021

# CONGRATULATIONS!

# REMINDERS FOR THE NEW ACADEMIC YEAR 2021-22

A reminder that the government guidance requires secondary schools to test all students on-site before they return to school following the summer holidays. Students are also encouraged to continue with the twice weekly testing at home for the rest of this term and the autumn term. The school has to offer 2 lateral flow tests before students return to school. These tests must be 3-5 days apart. Due to these requirements we will have a staggered return to school in September. The timetable for tests/return to school is as follows.

	Year 7	Year 8	Year 9	Year 10	Year 11
Thursday 2nd September	Testing			Testing	
Friday 3rd September	Set work	Testing	Testing	Set work	Testing

# SPORTS DAY JULY 2021

The PE Department were so pleased with how students acted and performed during their sports day.

You all highlighted the Olympic values of determination, equality, respect, inspiration, courage, friendship and excellence

The totals score of each house, from all year groups, has been added together.

To ensure fairness this score has then been divided by the amount of people in each house. We are pleased to announce that the winners overall were Wimbledon, followed in 2nd place by Wembley, then Twickenham and Lords.

Special congratulations to Henry H in 8-2 who won both the 100m and 200m and Aaliah A-S in 10-4 who won the 100m and came second in 200m.

**We are so proud of everyone who took part.**

## EQUIPMENT EXPECTATIONS

Students must bring their own equipment to school every day; the following stationary is expected and tutors will carry out regular equipment checks to ensure students are remembering to bring this to school:

Pencil case containing

- X2 Pens
- Pencil
- Coloured pencils
- Eraser
- Glue Stick
- Green pen
- Purple pen
- Highlighter
- Pair of Compasses
- Protractor
- Ruler
- Sharpener

Students also need a scientific calculator for Science and Maths. You can purchased the correct version (**Casio CLASSWIZ fx-83GTX**) on the school Scopay system for just **£8.04**.
