Dear Parent/ Carer

Parent/ Carer Code of Conduct

As Chair of Governors, I would like to take this opportunity to thank you for the ongoing support you provide to The Hamble School. The working relationship between home and school is central to the success and wellbeing of our students, and we are fortunate that the vast majority of our Parents/ Carers work in partnership with us in such a positive and constructive way.

However, over recent weeks, we have identified an increasing need to reinforce our expectations of how all members of our school community conduct themselves. To this end, the Governors, together with the Headteacher and staff, have reviewed and updated the Code of Conduct for Parents/ Carers. This document outlines the standards of behaviour we expect in order to maintain a safe, respectful and supportive environment for our students, staff and families.

The purpose of this Code is not to place unnecessary restrictions, but rather to ensure that our shared values —‘We Care, We Aim High, We Learn and Achieve Together’ – are consistently demonstrated in every interaction. It provides clear guidance on how we can all work together in a way that supports learning and models the positive behaviour we wish to see in our young people.

We kindly ask that you take the time to read the Code of Conduct, which is attached to this email and available on our website <https://www.thehambleschool.co.uk/policies-procedures/> . By following these expectations, you will be helping to ensure that we continue to provide the best possible education for your children.

On behalf of the Governing Body, I thank you for your continued support and for working with us as an effective partnership. Together, we can ensure that The Hamble School remains a welcoming, respectful and high achieving community for all.

Yours faithfully

Mrs H Craggs

Chair of Governors

If, at any time, you should require special arrangements to be made when visiting the school and/or in order to participate fully in supporting your child at school (e.g. an accessible venue for meetings, if you are a wheelchair user, assistance with translation of documents or enlarged copies of communications etc.), please do not hesitate to let us know.
