28 March 2022

Dear Parent/Carer

Tutoring Afterschool

We are pleased to announce we are continuing the in-school tutoring in English, Maths and Science for Years 9 and 10 via My Tutor. My Tutor is an online provision where students work with a highly qualified tutor to support them to improve academically.

The provision will run for one hour after school, in school. Year 9 will be on Monday and Year 10 on Wednesday. The provision will run for 10 weeks, starting the first week back after Easter week beginning 25th April 2022.

The online tutoring is funded via the Government and part funded by the school. This provision is free to students.

We understand that due to the pandemic some students have gaps in their knowledge, we would like to help support students by implementing this tutoring in school.
If you would like your child to access this provision please can you click on the link below and complete the form, the deadline for completing the form is Thursday 31st March 2022.

Click Here

The provision will be allocated based on academic need. There are 30 places in total for each year group and we will also have a reservation list. Due to the expected high uptake of the programme if any student misses two sessions or they are consistently late we will have to consider removing them from the programme to give another student the opportunity to participate.

If you have a questions or queries please contact me.

Yours faithfully

Mrs L Cambridge
Deputy Headteacher

If, at any time, you should require special arrangements to be made when visiting the school and/or in order to participate fully in supporting your child at school (e.g. an accessible venue for meetings, if you are a wheelchair user, assistance with translation of documents or enlarged copies of communications etc.), please do not hesitate to let us know.
