Dear Parent/ Carer

### **Year 10 – Curriculum Evening**

I am writing to inform you about our Curriculum Evening for Year 10. At The Hamble School we have a comprehensive package to support your son/ daughter through their GCSEs. In Year 10 this includes Raising Achievement evenings, Study Skills sessions and a Parents' Evening to talk to your child's individual teachers. In addition, you will also receive three data reports during the year, so that you can track your son/ daughter's progress and attitude to in each subject.

As you are aware from the Headteacher Update this year we will be hosting a short Curriculum Evening, so you can find out more about Year 10 including the plan for the year, expectations and information on your child's GCSE courses. The evening is aimed at parents/ carers and students. As a reminder the evening will take place on **Wednesday 13 September 2023** between 5pm-6pm in the main hall. If you wish to attend, please complete the link below:
