Dear Parent/ Carer

### Year 10 End of Year Examinations

I am writing to remind you that the Year 10 End of Year examinations will be taking from **Monday 9 June to Friday 11 July 2025**. This is a very good opportunity for the students to familiarise themselves with the examination process in readiness for their examinations in Year 11.

Please find enclosed with this letter, a copy of the Year 10 examination timetable (this has already been distributed on multiple occasions to students and Parents/ Carers). To help support your son/daughter to revise for these examinations a revision booklet with revision links and revision topics can be found on the school website - <https://www.thehambleschool.co.uk/revision/>

Students who have already been tested for Access Arrangements will have these in place for the examinations. We will then use these examinations to make further assessments on Access Arrangements students may need for Year 11.

Please discuss your child's examinations with them and encourage them to revise in readiness for each examination. Teachers have also put additional revision resources on Class Charts.

As indicated on the timetable, some examinations will continue after the end of the school (this is the same as the real GCSEs); please ensure that you have arranged how your child will get him after the examination. All students are expected to stay.

If there are any queries regarding your child's examinations please encourage them to discuss this primarily with their form tutor who will be able to offer advice and support. If you have any further questions, please email [general@thehambleschool.co.uk](mailto:general@thehambleschool.co.uk) I look forward to a successful Year 10 examination season.

Yours faithfully

**Mrs N Emmett-Callaghan**
