Results should be collected by the student in person.

We have allocated time slots for students. The timings are allocated alphabetically; please see the table below.

If your child is unable to attend on results day and wishes to authorise a designated person to collect their examination results envelope (including parents/ carers), they must confirm this in writing by completing the attached form and returning to school by **Thursday 20 July 2023**.

Please ensure the person responsible for collecting the results envelope brings the attached form completed with them with ID. Unfortunately, we will not be able to release results without written consent. Please be aware that we will not be able to communicate results over the telephone or by email.

Any uncollected results envelopes will be posted home after 2.00pm on the day. It is therefore vital that the address held by The Hamble School for your child is correct. Please inform us immediately of any recent home address changes.

If, at any time, you should require special arrangements to be made when visiting the school and/or in order to participate fully in supporting your child at school (e.g. an accessible venue for meetings, if you are a wheelchair user, assistance with translation of documents or enlarged copies of communications etc.), please do not hesitate to let us know.
