Dear Parent/ Carer

National Careers Week 2024

As you may be aware from our social media platforms, this week was **National Careers Week**. This is a national awareness week in celebration of careers education and guidance.

We have attached to this email a Parent/ Carer Guide to Careers. The document provides the information needed to help support your child to make the right choices to create successful futures after GCSE and sixth form. The guide is designed to inform, involve and guide parental support. It includes the most up to date information on topics such as revision techniques, virtual work experience ideas, vocational pathways and starting a business. It is relevant for both KS3 and KS4 students.
