Dear parent/ carer

### **Planning Application for Proposed Gravel Extraction on Hamble Airfield**

We are writing to you regarding the planning application: HCC/2021/0787 which refers to the proposed gravel extraction site on Hamble Airfield. We are aware that if approved the Urban Quarry site will be 150 metres from the school and are concerned about the impact on our students, as well as the local community.

We have arranged a meeting with representatives from The Hamble Peninsular Residents group next week to find out further information about the implications for the school community and enable us to provide an enhanced response.

In the meantime, if you wish to send your comments to Hampshire County Council, please do so using the contact information below. The deadline for submissions is 31 January 2023.
