Dear Parent/Carer

### Science Revision Guides

As a school, we firmly believe that parents/carers have an instrumental role in supporting their child in achieving academic excellence. We therefore feel it is important to recommend to our students, and their parents/carers, a suitable revision guide that will enable your child to access the knowledge required for their exams.

Since your child is studying for the new Science GCSE (Grades 9-1), any revision guides or resources for the old-style Science GCSE (Grades A\*-G prior to 2018) will no longer apply. This is owing to the significant increase in challenge, revised content within the new syllabus, and change to the style of exam questions that will be asked.

We have secured a very competitive price of £16.50 for the complete collection of revision guides and workbooks. This will provide revision and exam practice in one book each for Biology, Chemistry and Physics. Should you choose to purchase these revision guides directly with a retailer, the RRP is £10.99 per book. We strongly encourage you to purchase these recommended revision guides for your child to support them in achieving excellence in their learning.

Should you wish to discuss this further, please contact Miss Niblock at the school between the hours of 8.00am-4.00pm Monday to Friday. Alternatively, you can email Miss Niblock at [SNiblock@thehambleschool.co.uk](mailto:SNiblock@thehambleschool.co.uk).

Yours faithfully

**Miss S. Niblock**  
*Assistant Head of Science*

*If, at any time, you should require special arrangements to be made when visiting the school and/or in order to participate fully in supporting your child at school (e.g. an accessible venue for meetings, if you are a wheelchair user, assistance with translation of documents or enlarged copies of communications etc.), please do not hesitate to let us know.*
