Dear Parent\Carer

We have received two reports of an adult male approaching students and potentially filming them on one of these occasions. Due to the similarity in descriptions, it is likely that this is the same man. This has been reported to the police who are investigating further and are taking the matter extremely seriously.

One incident took place outside the school on Hamble Lane; the other took place near Netley Abbey Junior School.

The man has been described as being in his sixties, with white hair and being quite short.

It is extremely important that you please speak to your child and re-iterate the importance of not talking to strangers or approaching vehicles they are not familiar with. Please remind them how to seek help if required and if anything happens at any point they should inform staff at the school. If they are out of school they can also dial 101. If they feel they are in immediate danger they should always phone 999.

Yours faithfully

Mr A Govan
Headteacher

If, at any time, you should require special arrangements to be made when visiting the school and/or in order to participate fully in supporting your child at school (e.g. an accessible venue for meetings, if you are a wheelchair user, assistance with translation of documents or enlarged copies of communications etc.), please do not hesitate to let us know.
