# WHAT ARE TOP-UPS?

Top-ups are revision sessions, usually 1 hour, where you can have support from your teacher to cover topic areas that you feel need strengthening before your final examination.

# WHAT ARE WARM-UPS?

WARM-UPS are last minute revision booster sessions, usually 30-minutes, which take place just before each final examination.

## ARE THEY USEFUL?

*“Yes, they are!” (Year 11 Student)*

Previous Year 11 students have found them to be extremely helpful. They said:

*“WARM-UPS were really good.”*

*“All the main topic areas came up on the paper.”*

*“I remembered the information covered in WARM-UPS and used them in the exam.”*

**Remember you must attend the Top-up and WARM-UP sessions and keep to your personalised programme during the school day.**

Your teachers will help you to prepare for the final examinations – make the most of the help on offer to you.
