Dear Parent/ Carer

Year 11 – Curriculum Evening

I am writing to inform you about our Curriculum Evening for Year 11. We know that this year is important for students as they begin their GCSE courses. At The Hamble School we have a comprehensive package to support your son/ daughter. In Year 11 this includes Raising Achievement evenings and Parents' Evenings to talk to your child's individual teachers. In addition, you will also receive three data reports during the year, so that you can track your son/ daughter's progress and attitude to learning in each subject.

As you are aware from the Headteacher Update this year we will be hosting a short Curriculum Evening, so you can find out more about Year 11 including the plan for the year, expectations and information on your child's GCSE courses. The evening is aimed at parents/ carers and students. As a reminder the evening will take place on **Tuesday 12 September 2023** between 6pm-7pm in the main hall. If you wish to attend, please complete the link below:

Yours faithfully

If, at any time, you should require special arrangements to be made when visiting the school and/or in order to participate fully in supporting your child at school (e.g. an accessible venue for meetings, if you are a wheelchair user, assistance with translation of documents or enlarged copies of communications etc.), please do not hesitate to let us know.
