

Dear Parent/ Carer

### Year 11 Enrichment workshops

This term, we are very excited to be able to offer our Year 11 GCSE Art students the opportunity to participate in some after school enrichment workshops. These will give students the opportunity to work with a range of materials and processes which are not always accessible in lessons.

Details of each workshop can be found below. Students can attend as many of these workshops as they wish. However, due to the resources available and the space within classrooms, some workshops do have a limit on the numbers able to attend. All workshops are free and will be run by staff within the Art department.

All work produced during these sessions can be submitted as part of student coursework and can provide them with additional stimulus as they start to generate ideas for final outcomes.
