Dear parent/ carer

### **Art and Photography Exhibition 2023**

On **Tuesday 18 July** the Art Department will be hosting an end of year exhibition to celebrate the achievements of our students this year in Art and Photography.

I am delighted to inform you that your child's work has been specially selected to feature in the 2023 Art and Photography Exhibition. The opportunity to exhibit this year has only been offered to a limited number of Year 7, 8, 9 and 10 students, so I would like to congratulate your child on this achievement.

We would like to personally invite you and your child to view their work, as well as the work of other students, in the exhibition. It will be a fantastic night of celebrating the students work in an exhibition setting.

You are welcome to view the work at any time between 6pm and 8pm in the Drama Studios. We understand that this may clash with the Year 10 Maths Evening (a letter will be sent in due course), however this is due to finish at 7pm and you are more than welcome to join us afterwards.

Yours faithfully,

Mrs K Marshall

Raising Standards Leader for Art, Photography and Technology

*If, at any time, you should require special arrangements to be made when visiting the school and/or in order to participate fully in supporting your child at school (e.g. an accessible venue for meetings, if you are a wheelchair user, assistance with translation of documents or enlarged copies of communications etc.), please do not hesitate to let us know.*
