

21 March 2022

Dear Parent/Carer

### **Tutoring Afterschool**

We are pleased to announce the opportunity for after school tutoring in English, Maths and Science for Years 7 and 8 via My Tutor. My Tutor is an online provision where students work with a highly qualified tutor to support them to improve academically.

The provision will run for one hour after school. Year 7 will be on Tuesdays and Year 8 on Thursdays. The provision will run for 10 weeks, starting the first week back after Easter week beginning 25<sup>th</sup> April 2022.

The online tutoring is funded via the Government and part funded by the school. This provision is free to students.

We understand that due to the pandemic some students have gaps in their knowledge, we would like to help support students by opening up this provision to Year 7 and 8 students. This provision is already running for students in Years 9 and 10.

If you would like your child to access this provision please can you click on the link below and complete the form, the deadline for completing the form is Tuesday 29<sup>th</sup> March 2022.

[Click here](#)

The provision will be allocated based on academic need. There are 30 places in total for each year group and we will also have a reservation list. Due to the expected high uptake of the programme if any student misses two sessions or they are consistently late we will have to consider removing them from the programme to give another student the opportunity to participate.

If you have a questions or queries please contact me.

Yours faithfully

Mrs R Baldwin  
Head of Year 7

Ms S Roome  
Head of Year 8

*If, at any time, you should require special arrangements to be made when visiting the school and/or in order to participate fully in supporting your child at school (e.g. an accessible venue for meetings, if you are a wheelchair user, assistance with translation of documents or enlarged copies of communications etc.), please do not hesitate to let us know.*
