

Thursday 5 March 2026

Dear Parents/Carers

Rotary Technology Tournament for Schools and Colleges 2026

I am delighted to be able to offer your child an opportunity to take part in the Rotary Technology Tournament for Schools and Colleges 2026.

This event has been organised by Rotary in order to celebrate and learn about how the use of Science, Technology, Engineering and Maths plays such an important part in our lives and to raise awareness of possible future careers within STEM.

The event is being held on **Wednesday 11 March 2026** from 9:00am until 3:00pm at the Crosfield Hall in Romsey.

We will depart from The Hamble School via school minibus at 8:15am; students should meet at the Student Hub by 8:10am. They will return to the school site at approximately 3:30pm.

Students are expected to be in full school uniform and should bring a packed lunch and plenty to drink. If your child is usually in receipt of free school meals then a packed lunch will be provided for them. As well as myself, the students will have members of staff from the event to help and support them over the course of the day.

I hope you will support us by allowing your child to attend this competition, it is an excellent opportunity for them to learn about the opportunities available to them within the STEM industry and to compete against others schools and teams. Please complete the consent form that will be sent to you through our system called 'Evolve'.

If there are any further questions regarding this visit then please do not hesitate to contact me on general@thehambleschool.co.uk.

Mr A Barfoot
Teacher of Design Technology and Engineering

If, at any time, you should require special arrangements to be made when visiting the school and/or in order to participate fully in supporting your child at school (e.g. an accessible venue for meetings, if you are a wheelchair user, assistance with translation of documents or enlarged copies of communications etc.), please do not hesitate to let us know.
