THE HAMBLE SCHOOL

ACHIEVING EXCELLENCE TOGETHER

INTRODUCTION

At The Hamble School, we believe involvement in extracurricular activities will build your character and contribute to an all-round education and it is important for your physical, social and emotional health. We want The Hamble School to be a place where you can develop your interests and hobbies whilst learning valuable life skills which will support you now and in the future.

Extra-curricular activities can help you build leadership, organisation, resilience, initiative and communication skills: all of which are essential for life and employability. It is also an opportunity to meet new friends, expand your interests and perhaps find a new talent!

Attending these clubs will also open up opportunities for potential trips, visits and representing the school in productions, performances and competitions.

Please look carefully through this brochure at everything we have on offer at Hamble.

If you have any questions, or have ideas about clubs you would like to attend at Hamble, please let us know.

CLUB: 3D Printing Club

Venue: B3

Day: Thursday

Term: Autumn, Spring, Summer

Time: Lunchtime (Y7 only); After school (all years)

Staff: Mr Barfoot / Mr Andrews

Activity: The 3D Printing Club is an exciting extra-curricular opportunity where students from Year 7 to Year 11 can explore the world of digital design and modern manufacturing. Members learn how to create their own models using CAD software, experiment with different printing techniques, and bring their ideas to life on real 3D printers. The club encourages creativity, problem-solving, and collaboration as students work on personal projects as well as group challenges, from keychains and mini-figures to practical tools and school-wide design tasks. It's a welcoming space for beginners and experienced makers alike, offering hands-on learning that blends technology with imagination.

Each half-term we will work on a specific project to support with your CAD development using TinkerCAD.

Thursday lunchtime is Year 7s only. Thursday after-school is open to all.
