

Thursday 25 June 2026

Dear Parents/Carers

Return to School – Friday Arrangements

We are looking forward to welcoming students back to school on Friday 26 June 2026. The school day will begin as normal at 8:25am.

Following recent hot weather, conditions are expected to be cooler. However, in line with Department for Education guidance, we will continue to take sensible and proportionate steps to ensure students remain comfortable and safe in school while maintaining normal routines. We are planning to open as normal, in line with other primary schools in the local area; however, if there are any changes in response to the weather forecast, we will communicate these with you as soon as possible.

Uniform adjustments have been made in line with Department for Education guidance. Students should wear normal school uniform; however, blazers and ties are not required. We also recommend that students bring sun cream and a bucket or wide-brimmed hat to help protect them during warmer conditions.

It is essential that students bring a large water bottle with them so that they have sufficient water for two hours of lessons. Students will have opportunities to refill their bottles before school, at break, at lunchtime and after school.

Attendance remains extremely important, and we expect all students to attend school and be punctual so that learning can continue as normal and routines are re-established.

To support a positive return, double positive points will be in place on Friday for all students. The Year 10 Barton Peveril taster day will go ahead as planned. Please note that the Year 10 Duke of Edinburgh expedition has been postponed, and students should attend school as normal. Further arrangements will be made to complete the expedition at a later date.

We appreciate your continued support in ensuring students arrive prepared and ready to learn, and we look forward to welcoming them back on Friday.

If, at any time, you should require special arrangements to be made when visiting the school and/or in order to participate fully in supporting your child at school (e.g. an accessible venue for meetings, if you are a wheelchair user, assistance with translation of documents or enlarged copies of communications etc.), please do not hesitate to let us know.
