

Uniform Policy

The Hamble School has a clear uniform policy, and we expect students to have a sense of pride in themselves and their uniform. Parental co-operation is important in order to achieve this. The School expects all students to wear their uniform correctly at all times, which includes the journey to and from School. Any student who is incorrectly dressed may be taken out of circulation until the matter is resolved.

During tutor time, tutors, Progress Leaders and attached members of the Senior Leadership Team will check on uniform to ensure uniform is correct. Throughout the school day, class teachers and support staff will also address uniform issues accordingly.

Students wearing any items that do not follow the uniform policy may have these confiscated by staff. Multiple uniform infringements may lead to a student being directed to wear another item of uniform e.g. trousers in place of a skirt.

Students who have inappropriate hair styles or colours will be expected to remedy the situation immediately and, where this is not possible, they may be out of circulation until their hairstyle is suitable for School.

Should students be unable to remove piercings or retainers for any reason then this is considered to be a health and safety concern and a breach of the school rules. Parents or carers may be contacted to rectify the situation and the student may be out of circulation until the matter is resolved.

A member of the Senior Leadership team will make the final decision on uniform.
