Year 7 Team Building Days – Thursday 1 October and Friday 2 October

We are delighted to let you know that we have managed to secure a last-minute exciting opportunity for our Year 7 students.

Our Year 7 Team Building Days will take place this week and will provide students with the opportunity to take part in a range of team-building activities and life skills workshops designed to support their transition to secondary school. The programme will be delivered by Personal Best Education, an experienced provider of educational team-building and personal development activities. Throughout the day, students will take part in a variety of practical challenges and workshops designed to develop confidence, resilience, communication, leadership and teamwork skills, whilst strengthening relationships within their tutor groups.

- Tutor Groups: 7-1, 7-2, 7-3 and 7-4

Friday 2 October

- Tutor Groups: 7-5, 7-6, 7-7 and 7-8

What should students wear?

Students should attend school wearing their full PE kit in accordance with the school's Uniform Policy. This includes:

- Navy polo shirt with house colour banding and school logo
- Navy blue or black shorts
- Trainers
- Navy blue or black tracksuit bottoms or leggings (optional)
- Plain navy jumper (optional)

Students should also bring:

- A refillable water bottle

What time does the day start?

Students should attend school as normal and report to their tutor group for registration at 8:30am. Tutor groups will then be taken directly to the Sports Hall to begin the day's activities.

Food and Drink

Students should bring food and drink as they would for a normal school day. Students who usually purchase food from the canteen will be able to do so as normal. Break and lunchtime arrangements will remain unchanged.

Cost of the Activity

The cost of the Team Building Day is £10 per student.

As this is an enrichment activity taking place in addition to the normal curriculum, the contribution helps to cover the cost of the specialist provider, equipment and resources required to deliver the programme. These activities provide valuable opportunities for students to develop essential life skills, strengthen friendships and build confidence as they settle into secondary school. Payment should be made via SCOPAY by selecting: Products → Year 7 Team Building Day. We would be grateful if payment could be made as soon as possible and before the date on which your child is due to take part in the activity.

We understand that families may occasionally experience financial difficulties. If the cost of the activity presents a challenge, please contact the school in confidence and we will do our best to support you.

Further Information

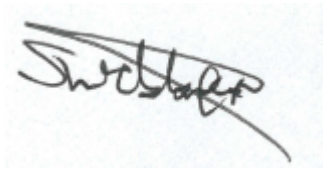

The two days will be led by Mr Webber, who will oversee the programme and support students throughout the event.

We are confident that these Team Building Days will provide a valuable opportunity for students to develop important life skills, build positive relationships and further strengthen the strong sense of community within their tutor groups.

Yours faithfully
